CASHMERE

Edel wie Kaschmir, weich und anschmiegsam – das naturbelassene Reinanilinleder Cashmere mit seiner fein strukturierten Oberfläche schützt ein transparentes Finish. Bei hellen Farben kommt seine Natürlichkeit besonders schön zur Geltung.

As refined, soft and smooth as cashmere, the pure natural aniline leather with its delicate, structured texture is protected by a transparent finish. Fair colors accentuate its purity.

CONGRESS

Wertigkeit und Eleganz bestimmen die Ausstrahlung von Congress – ein leicht pigmentiertes Leder mit ausgesprochen fein strukturierter Oberfläche. Der Griff ist weich und geschmeidig. Als Bezugsmaterial eignet sich Congress besonders für filigrane Formen und feine Linien. Wertige Farben bestimmen die Farbauswahl.

A smooth appearance and elegance define the look of Congress – a lightly pigmented leather with a soft and supple texture. As a cover material, it is particularly suitable for delicate shapes and fine lines. Selected colors are a characteristic of Congress.

ELEN

Natürlich, weich und geschmeidig – ein Veredelungsfinish verleiht dem naturbelassenen Wachsleder seinen seidigen Glanz. Die feine Oberfläche von Elen ist geschützt, ein hoher Grad an Lichtechtheit wird erreicht. Materialgerechte Farben unterstützen die edle Wirkung des Reinanilinleders.

Soft and supple – a special finish lends its rich luster to the natural wax leather. The protection used on its fine surface gives it a high degree of light fastness. A series of selected colors are particularly suited to highlight the character of this pure aniline leather.

Lederart: veredeltes Anilinleder /
Wachsleder

SADDLE

Markant, geschmeidig und mit der Zeit immer schöner: Mit seiner robusten Struktur, großen Festigkeit und individuellen Natürlichkeit zählt das Sattelleder Saddle zu den besten Lederqualitäten. Naturmerkmale wie Vernarbungen, Mastfalten oder auch Farbschwankungen sind besondere Kennzeichen dieses naturbelassenen Leders.

Distinctive, supple and ever improving over time. Extremely popular is the patina effect. With its powerful texture, extreme firmness and individual naturalness, the saddle leather "Saddle" is one of the highest quality leathers on the market. Healed scars, stretch marks and variations in color are natural features of this natural leather.
